Dimensioned Concept Drawing

Conceptual dimensions for planning purposes. Verify actual griddle measurements before cutting lumber.

Detailed Assembly Instructions

Step 1: Cut all lumber according to the cut list.

Step 2: Assemble the upper frame and verify square.

Step 3: Attach legs at each corner.

Step 4: Install lower shelf frame between legs.

Step 5: Attach plywood shelf and top.

Step 6: Mount casters to the bottom of each leg.

Step 7: Sand all surfaces and break sharp edges.

Step 8: Apply exterior finish.

Step 9: Install griddle and accessories.

Shopping Checklist & Upgrade Ideas

Optional upgrades include a bottle opener, magnetic tool holder, fold-down side shelf, trash bag holder, LED lighting, and weather-resistant storage bins.
